

SCAMPP

WHAT IS SCAMPP?

- * *SCAMPP is not a rescue organization. We cannot take in pigs that need to be re-homed. If you have a Potbellied Pig that you need to re-home, we can share the word with sanctuaries and foster homes but cannot guarantee quick placement due to the fact that shelters, sanctuaries, boarding & foster facilities are overfilled with animals that already need homes.*
- * *SCAMPP is a non-profit organization; donations are tax-deductible.*
- * *SCAMPP's mission is to educate the public on the proper needs, care & size of Miniature Potbellied Pigs and promotes them as pets that need loving, caring homes.*
- * *SCAMPP has social meetings with members and folks interested in miniature pig ownership; anyone is welcome to attend & membership is not required.*
- * *SCAMPP publishes newsletters with paid membership dues; anyone can sign up for membership.*
- * *SCAMPP welcomes new members; pig ownership is not required to be a member.*
- * *SCAMPP participates in Community Events, Adoption Fairs, Pet Expos, School Events, Parades, Festivals, TV films & Commercials, etc.*
- * *SCAMPP helps support Potbellied Pig Rescue Organizations and Sanctuaries as funds and donations allow.*
- * *SCAMPP helps with medical, rescue and emergency needs for Potbellied Pigs, as funds allow.*
